ACTION NEEDED - CHANGES TO FREE SCHOOL MEALS

Dear parents and guardians,

Starting this September, the government has expanded Free School Meals and pupil funding to more people. Many of you will have received my letter last July outlining the changes in more detail.

We require some data from you to confirm your child's eligibility for Free School Meals. Checking your child's eligibility is now an annual requirement.

Every set of parents / guardians needs to complete this form <https://fsm.lgfl.net/app/school/16244> by Friday 18 September, regardless of whether you are in receipt of Free School Meals, and regardless of whether your child has packed lunches or school meals.

I have also sent the above link out by text message to make the form easy to access.

Checking Free School Meal eligibility is now an annual requirement, if you do not complete the required information, we will be unable to check your Free School Meal eligibility status, there will be delays in processing your application, and you may be charged for your child's meals.

If you have any further questions, do not hesitate to contact the school office.

Kind regards,

M.A. Jones
